

Continue your legacy of creating miracles in Nicaragua.

For more than 15 years, Rainbow Network, has worked to create solutions to the problems facing impoverished families in rural Nicaragua. The progress we've made has been possible because of thousands of compassionate volunteers and donors. Together we have raised more than _____ million the help our impoverished brothers and sisters.

Now, you have the opportunity to assist impoverished families for years to come. By including Rainbow Network in your estate plan, you can leave an enduring legacy of support for efforts that feed people, send children to school, give families safe houses in which to live and loans to start small businesses.

Other Creative Ways to Help

You can also designate Rainbow Network as the beneficiary of insurance policies or retirement plans. In some cases, you or your heirs may also realize significant tax savings.

Rainbow Network also accepts gifts of securities (stocks and bonds).

To discuss these and other possibilities, please contact Ryan Owen at 417-889-8088 or via email at rowen@rainbownetwork.org.

The Legacy of Compassion

You don't need to be wealthy to make a gift that will have an impact on future generations. A charitable bequest to Rainbow Network in your will or living trust will serve as a powerful testimony to your convictions that no one should have to live in poverty.

No matter how modest your assets, establishing a will or living trust can ensure your estate is settled quickly and with fewer complications for your family and loved ones.
